**Rules for Trophies, Shootoffs and
Class Move-ups**

Trophies - No shooter may win more than one trophy per event. If a shooter's score qualifies for more than one trophy, management reserves the right to determine the priority of each trophy to expedite determining winners and commencing shootoffs. Any shooter whose score might qualify him or her for more than one trophy may notify management of his/her preference BEFORE winners are determined at the end of the event. A shooter may not fall back from a class to a category trophy or vice versa if he/she is unsuccessful in the shoot-off. However, a shooter may shoot off for event champion and fall back to a class or category trophy.

Class move-ups – Shooters who win or tie for a class trophy in a singles or doubles event will move up a class for the next similar event. This rule will also apply to any shooter with the high score in a class but who elects to take a category trophy.

Shootoffs and Carry-overs – Ties in Event 1 and 3 will be carried over to the next similar event. Ties in all other events except Event 5 will be shot off. Shooters involved in ties have the responsibility to ascertain when and how their tie will be settled. Shooters not answering shootoff call will forfeit.
